Curtains & Accessories

Curtains are an important part of interior decoration as such they must be both functional and aesthetically pleasing. At our store, we offer an amazing choice of main and sheer curtains in a variety of gorgeous fabrics and stunning designs in soft cotton and satins combined with an elegant and unique look. From classic florals and contemporary patterns to bold prints and embroideries, our selection in terms of fabrics, designs and colours from all the leading brands will leave you spoilt for choices. Moreover, our range of curtain accessories, drapery rods, track systems and motorized curtains backed by the finest automation system enables you to use your curtains with the press of a button.

Window Blinds

Our exclusive selection of stunningly designed and aesthetically appealing blinds in a variety of styles that include roller blinds, panel blinds, roman blinds, triple shade blinds, wooden blinds, honeycomb blinds, venetian blinds, vertical blinds and many more will modernise and bring life to your living areas, bedroom, office and work spaces. These are easy to operate, durable and can be customised as per requirement.

Wallpaper & Covering

Wallpapers are an incredibly popular design choice nowadays. They are very easy and quick to install and offer superior look and feel that is unmatched by conventional paints. Our range of wall coverings are sourced from across the globe and come in an exciting variety of materials, textures, colours and designs that appeals to all tastes and aesthetic sensibilities. Crafted by some of the largest and leading international brands, our wall coverings can be used for multiple purposes such as decor, ambience creation, sound absorption and so on

Headboards

Headboards provide the ideal finishing touch to your bed and your bedroom's interior design. Our made to order headboards and other panelling works are customised and designed in timeless styles with high quality fabrics or leatherette. Our exquisite range of panelling works done with precision ensure to give a complete makeover to your interiors .

Mattresses & Pillows

A good mattress can really progress your quality of life as they are important in maintaining your sleeping posture by providing ideal support to your back and entire body. These help in preventing back problems. As such every mattress needs to be selected with a lot of care. At Apco Enterprises we offer a complete range of mattresses in coir, foam, natural latex and spring in various sizes, comfort levels, brands and budget. At our one of its kind sleep studio our sleep experts help you in selecting the perfect mattress on which you can relax and have a sound and comfortable sleep. We have mattresses for individual homes, hotels, hospitals and school and college hostels

Foams

From our car seats, sofa cushions, mattresses to our running shoes, polyurethane flexible foam can be found in more places than you think. Without it, it is likely our life would be much less comfortable. PU Foam has become crucial to our daily comfort. It is versatile, light weight, cost efficient and durable. We are distributors for brand Cenflex (from the house of Centuary). In PU Foam, Cenflex has a product range that encompasses everything from regular furniture grade foams to special foams for mattress and bedding like memory foam, cooling gel-infused foam, latex like foam and high resilience foam. We also have a wide range of technical grade foams for use in various industrial and manufacturing applications like making of shoes, lamination foams for car seat covers and linings for garments, hard foam for packaging and providing protective padding in helmets, fire retardant foams for acoustic applications, generator canopies and bedding.

Sofa and Cushion Upholstery

At Apco Enterprises, we bring to you a world of stunningly designed customised sofas and cushions which enhances the beauty and look of your living area in terms of style and aesthetic appeal. Our made to order sofas, divans and couches are made by using only the finest materials in both modern, contemporary, and classic designs with plenty of colour choices. Our precision craftsmanship ensures years of ergonomic support and comfort. Stylish cushion paneling works by our team for commercial office spaces play an important part in boosting work productivity as well as potential. Also, our expert and experienced team can reupholster and bring life to your old sofas and make them look like new.

Hospital Furnishings

The healthcare environment needs to be conducive to healing the body and mind and to putting patients at ease. We provide comfortable hospital mattresses, pillows, bed linen, curtains and window blinds for hospitals. We also supply Sitra certified PP Spun Bond Non Woven fabrics used to make surgical masks, medical aprons, PPE body coveralls, disposable bed linen and pillow covers for use in hospitals.
